

Job Posting

Community Health Nurse - Diabetes Education Program

Contract May 7, 2018 to February 28, 2019 with possible extension to May 10, 2019

Full time (35 hours per week)

Unison Health and Community Services is a non-profit, community-based organization that serves neighbourhoods in North West Toronto. Operating out of five locations, Unison offers core services that include primary health care, counselling, health promotion, Early Years programs, legal services, harm reduction programs, housing assistance, adult protective services, Pathways to Education and Diabetes Education Centre. Unison's mission is working together to deliver accessible and high quality health and community services that are integrated, respond to needs, build on strengths and inspire change.

Our Diabetes Education Centre (DEP) is composed of full time RN/RD teams, an outreach worker and administrative support. We educate and counsel clients at risk for diabetes, pre-diabetes and type 2 diabetes in both individual and group settings.

At this time we are seeking a candidate for the position of Community Health Nurse to join the DEP team. Reporting to the Diabetes Education Program Manager, the successful candidate will demonstrate the required knowledge, skills and judgement to deliver programs and services to clients on the prevention, care and management of diabetes. Work hours will include some weeknights.

Responsibilities:

- Provide individual counselling to clients on diabetes self-management skills in both individual and group settings
- Develop a care plan for clients at risk of pre diabetes and Type 2 diabetes
- Teach administration of insulin effectively, including titration and management as per medical orders
- Perform client follow ups in person and by telephone
- Facilitate group education classes
- Deliver presentations to community groups
- Conduct outreach in the community
- Develop educational resources
- Participate in team meetings and centre-wide initiatives
- Perform administrative tasks
- Stay current and aware of opportunities to implement new, evidenced-based methods of client assessment and treatment

Qualifications:

- Certification as a Registered Nurse in the Province of Ontario
- Baccalaureate degree
- Certification as a Diabetes Educator (CDE) preferred
- Experience serving Unison's priority populations (seniors with complex needs, people with mental health & addiction issues, LGTTQT)
- Strong written and oral skills
- Ability to speak a second language is a significant asset
- Experience with group facilitation
- Ability to work flexible hours, including evenings and ability to travel are requirement of the position.

Interested candidates are asked to email a résumé with covering letter by 9:00 a.m., April 11, 2018 to:
