

JOB POSTING

Nurse Practitioner-Primary Care, Jane-Trethewey Site

part-time, permanent

14 hours per week

Unison Health and Community Services is a non-profit, community-based organization that serves neighbourhoods in North West Toronto. Operating out of six locations, Unison offers core services that include primary health care, counselling, health promotion, Early Years programs, legal services, harm reduction programs, housing assistance, adult protective services, Pathways to Education™ and a Diabetes Education Program. Unison's mission is working together to deliver accessible and high quality health and community services that are integrated, respond to needs, build on strengths and inspire change.

Unison Health and Community Services is committed to working from an inclusive, pro-choice, sex positive, harm reduction, anti-racist, anti-oppression and participatory framework.

Unison is seeking a Nurse Practitioner-Registered Nurse -Extended Class – RN (EC) to work at our Jane-Trethewey site. The RN (EC) diagnoses and manages common health problems and diseases as part of the multidisciplinary, primary health care team.

Job Specific Responsibilities:

- Perform clinical duties within the scope of practice, including assessments, diagnosis, treatment, follow up, counseling, screening, education and referral. Duties may be performed at the centre through appointments and walk-ins and in the community through home visits and satellite clinics as required.
- Work with the primary health care team and other health centre teams to identify and take action on community health issues.
- Assist in the development and evaluation of protocols and procedures in order to provide optimal standardized care to clients.
- Other duties as required

Job Specific Qualifications:

- Registration without restrictions in the Extended Class with the College of Nurses of Ontario
- Sound clinical judgment and strong health assessment and diagnostic skills
- Demonstrated ability to work effectively independently and as a member of a multi-disciplinary team
- Effective communication, interpersonal, organizational and administrative skills, including computer literacy skills specific to job requirements
- Willingness to teach/work with other professional disciplines and students
- Ability to work within a community-based context, with a culturally diverse community
- experience serving Unison's priority populations (seniors with complex needs, people with mental health and addictions, LGBTTTQ2+, and youth facing barriers) is an asset
- Knowledge of issues affecting communities facing barriers to access in an urban environment
- 3-5 years experience in a community-based setting or nursing experience in Primary Care/NP
- Excellent triage and clinical skills
- Well-developed interpersonal, written and verbal communication skills
- Ability to speak another language is an asset
- Preference will be given to candidates who can work **Tuesdays and Fridays** during the pandemic and one Saturday per month post pandemic

Interested candidates are asked to email a résumé with covering letter by **Tuesday, May 25, 2021 at 9:00 a.m. to:**
